72. Rosenberg ML, Dizziness: Evaluation, Management & Rehabilitation. JFK Conference Center, Diagnostic Considerations in Patients with Brain Injuries, Edison, NJ. June 17 and 18, 2005.
73. Aguilar L., ROSENBERG ML: Failure of the Clinical Examination To Predict The Presence of Functional Vision: The 17th Annual Research Colloquium, Seton Hall University, May 12, 2006. North American Neuro-ophthalmology Society Tucson, AZ, March 1, 2006
74. ROSENBERG ML, Fernandez-Villa A, McKinney J. Stimulus sensitive square wave jerks in a comatose patient. North American Neuro-ophthalmology Society Tucson, AZ, March 1, 2006
75. Gerhardstein B, Fuentes K, Landolfi J, ROSENBERG ML, Moussouttas M: An Intracranial Mass Identified as Cerebral Amyloid Angiopathy Presenting With Neuropsychiatric Symptoms: The 17th Annual Research Colloquium, Seton Hall University, May 12, 2006.

76. Silveria D, K. Fuentes K, ROSENBERG ML: A Retrospective Comparison of the ANSAR Autonomic Function Test (AFT) with the Standard Tilt Table Evaluation (TTT) in Patients with Possible Orthostatic Symptoms: The 17th Annual Research Colloquium, Seton Hall University, May 12, 2006.
77. Fernandez-Villa A, ROSENBERG ML, A Classification of Saccade Morphology Based on Eye Movement Velocity: The 17th Annual Research Colloquium, Seton Hall University, May 12, 2006.
78. Aguilar L, ROSENBERG ML: Are All Saccades Alike?: The 17th Annual Research Colloquium, Seton Hall University, May 12, 2006.
79. ROSENBERG ML: An Exciting New Approach to Visual Rehabilitation, Conference on Acquired Brain Injury: Medical, Therapy & Cognitive Interventions in the Treatment of Persons with TBI & Stroke, Edison, NJ, December 1, 2006
80. Petrock AM, ROSENBERG ML: Cardiac and Respiratory Variations Expressed in Spontaneous Pupillary Oscillations 27th Pupil Colloquium Hammatsu, Japan 1 October 2007
81. ROSENBERG ML: Sudden Unilateral Vision Loss, Conference on Evidenced-Based Approaches to Diagnosing and Managing Neurological Disorders, Edison, NJ, Nov 30, 2007
82. ROSENBERG ML, Petrock AM. Intermittent refixation induced pendular vertical nystagmus and pupillary-oculomotor synkinesis. North American Neuro-ophthalmology Society. Orlando, FL March 11, 2008
83. Petrock AM, ROSENBERG ML,: Cardiac and Respiratory Oscillations Expressed In Spontaneous Pupillary Fluctuations: The 19th Annual Research Colloquium, Seton Hall University, NJ. May 9, 2008
84. Whyte CA, Petrock AM, ROSENBERG ML; Age and Its Relation to Gaze-Evoked Nystagmus: The 19th Annual Research Colloquium, Seton Hall University, NJ. May 9, 2008.
85. Lysenko L, ROSENBERG ML: The Case of Statin-related Rhabdomyolysis in a 86 Year Old Male: The 19th Annual Research Colloquium, Seton Hall University, NJ. May 9, 2008
86. Whyte CA, Chen S, ROSENBERG ML: Bilateral Sixth Nerve Palsy Due to Pseudotumor Cerebri in Guillain-Barre' Syndrome: The 19th Annual Research Colloquium, Seton Hall University, NJ. May 9, 2008
87. Petrock AM, Donnelly DL, ROSENBERG ML. Quantifying Cardio-Pulmonary Correlations using the cross-wavelet transform: Validating a correlative method. 30th Annual International IEEE MBS conf. Vancouver Canada. August 22, 2008
88. Rosenberg ML: From chaos to wavelets: Using engineering analysis via "new math" to gain new insights into control of the autonomic nervous system. NJIT Biomedical Engineering Showcase. Newark, NJ March 13, 2009

89. Rosenberg ML. Vestibular Rehabilitation: Invited keynote speaker at Acoustic Neuroma Society of New Jersey Annual conference, Bekeley Heights , NJ 24 October 2010.

TRAINEES AWARD WINNING PAPERS

1. Peele KA, ROSENBERG ML: The role of peripheral visual fields in idiopathic intracranial hypertension). North American Neuro-ophthalmology Society, Big Sky, Montana, February 1993. (Winner of best research study by fellow)
2. Sobol M, ROSENBERG ML, Clarke, RJ: Pupillary Light Reflex Changes in Patients with Homonymous Hemianopias from Hemispheric Lesions10th Annual Research Colloquium, Seton Hall University School of Graduate Medical Education, May 1999. (Winner of best clinical study)
3. Sobol I, ROSENBERG ML: Dysphagia as the only presenting symptom of an acute cerebellar stroke: A Case Report; 11th Annual Research Colloquium, Seton Hall University School of Graduate Medical Education, 12 May 2000. (Honorable mention for best case report)
4. Balashov K, ROSENBERG ML, Gizzi, M: Patients presenting with optic neuritis in different seasons of the year have a different incidence of abnormal demyelinating lesions on brain MRI; 13th Annual Research Colloquium, Seton Hall University School of Graduate Medical Education, 16 May 2003. (Honorable mention for best clinical study)
5. Wyte CA, Petrock AM, ROSENBERG ML; Age and Its Relation to Gaze-Evoked Nystagmus:The 19th Annual Research Colloquium, Seton Hall University, NJ. May 9, 2008 (Honorable mention for best clinical research paper)
6. Petrock AM, ROSENBERG ML.: Cardiac and Respiratory Oscillations Expressed In Spontaneous Pupillary Fluctuations: The 19th Annual Research Colloquium, Seton Hall University, NJ.May 9, 2008 (Honorable mention for best basic science research study)
